Chander, 80, was given a two-year supervision order after he was ruled mentally unfit to stand trial due to

A trial of facts at the court, which ended in September, heard Chander mistook the accelerator for the brake

as a "gross" failure by the driver.
A jury ruled that Chander, aged 77
at the time of the crash, was driving dangerously when he killed primary school pupil Rowan Fitzgerald, seven, and 76-year-old pedestrian Dora Hancox.

The six-day trial heard Chander had been warned about his "erratic" driving by his employer after four crashes in the previous three years.

An expert told the court Chander may

Parliament will vote on on December 11 whether to accept or reject the terms of the UK's withdrawal and its future relations negotiated by Mrs May. Sir Michael's decision to come out

Sex ban group's road campaign

A GROUP of women who A GROUP of women who grew tired of waiting for the government to fix a vital link road decided to take matters into their own hands – and launched a SEX BAN.

The movement - called "Piernas Cruzadas" or "Crossed Legs" - in Barbacoas, Colombia, encouraged 300 women to stop having sex with their partners until the road that connected their area to the city of Pasto and the port city of Tumaco, was fixed.

The movement carried out its mission for three months and 19 days – even leading some men

to join their protest.

The poor state of the road made it difficult for locals to have affordable goods because trucks could take up to 14 hours to reach Barbacoas.

The government has now pledged to improve the 35-mile road that was supposed to be completed earlier this year.

Dear Bexi.

I'M a massive fan of the *Midweek Sport* – I buy the paper every week and really love the photos of pretty glamour girls in it.

I regularly dash off to the bogs at work with the paper, to enjoy them

in private.

I mentally caress their boobs and slide my hands up their soft thighs, and all these erotic thoughts set me up for a hard day at work.

There are just so many amazing girls in your paper, I couldn't possibly pick just one out as my favourite.

But my gaffer at work told me last week that I spend too much time in the shithouse.

I think he might be on to me.

What should I do?

DA. Doncaster

Bexi says...IF it's a sacking offence you'd better take the paper home and do your caressing there.

Dear Bexi,

I CAUGHT my wife shagging my best mate in our house recently. They didn't see me at first so I was very quiet and spied on their sex

I watched as he took her knickers off and tongued and fingered her

I watched as he took her knickers on and tongace and me wet fanny.

She was loving it and was begging him to f**k her, so he did her from behind on the couch. He was pounding away and her tits were swinging all over the place.

Then she took it up the arse, something she has never let me do!
But I found it a real turn-on watching her shagging another bloke.
I'm now thinking of asking her if I can watch her when she has sex with other men, and not just my mate.
I'd particularly like to see her being spit-roasted by two blokes at the same time. Do you think I should ask her to arrange it?

DF, Leeds

Bexi says...SHE might like to be watched having sex and give you sloppy seconds afterwards!

Dutch courage took me for walkies to dogging spot

Dear Bexi,

THERE'S a nympho called Nicky who lives in our area, who's mad for dogging and sex with strangers.

She's sex mad and most evenings can be found in a local car park with a few cocks up her chuff.

I've seen her in action myself and while I've belted a couple off the wrist watching her turn a few tricks, I've never shagged her.

I've never shagged her.

But the other night, after a few pints in the local, I was in a right randy mood and I knew there were a few spots on the edge of town where she liked to get her in-car entertainment.

where she liked to get her in-car entertainment.

So I had a walk around and soon enough I spotted her old white Ford Escort parked up behind the village hall and peered in. And to my

delight she was being done up the

bum by a young lad.
I looked on with glee as he pumped her brown hole with impressive stamina and she was moaning her head off and clearly enjoying the experience.

When he'd finished I climbed in

the back seat and went straight to work.

To be honest, I didn't even touch

To be honest, I didn't even touch the sides, but when I pulled out she gave me a brilliant blowjob.

Then I noticed several fellas grimacing in the back window with their cocks out – an image which is haunting me now. Help!

RL, Glasgow

Bexi says...

YOU'VE had your fun now - so stop moaning.

Do you know if they cost a lot of money?

I would really love to be able to give her more meat, and have been thinking of maybe having a penis extension operation in the New Year.

Bexi says...

FORGET wrapping up warm in the duvet, strip bare and get shagging - because experts reckon it's the key

to avoiding winter illness.

It's also the time of year most people look for love and get into relationships, rebranding the festive months as a further acces.

rebranding the festive months as 'cuffing season'.

You may have heard of other buzzwords like 'ghosting' (when your crush cuts contact with no warning) and 'bread-crumbing' (all chat but no action) but this one is a little different.

As the weather turns colder, singles are more likely to look for someone to share their bed with.

We-Vibe's relationship expert Dr Becky Spelman explained the new dating trend and said: "The term 'cuffing season' has been coined in recent years.

"It describes the phenomenon

By BECCA STUBBS

becca@sundaysport.co.uk

whereby people who are usually footloose and fancy-free tend to settle into more serious, stable relationships during the winter season.

"It is a play on words – the 'cuffs' in question are the ties that bring us together with another person in a relationship."

Satisfied

Thanks to the need for cosy nights in with an occasional shagging session, people are desperate to couple up.

However, a bedtime bonking session doesn't just keep you satisfied – there's also a ton of health benefits to more sex.

Sexual health expert Samantha Evans said: "You may believe that when the temperature drops outside all we want to do is

hibernate under the duvet. But having sex during the winter months can boost both our physical and mental health.

"The weather and seasonal changes affect not just our mood but also our desire to have sex.

"Generally, we're stuck inside during the winter months, therefore we spend more time with our partners — leading to enjoying more sex, which in turn offers a range of health benefits you may not even be aware of.

"Together with cold, rainy weather, and high winds, it's no surprise that many people are less tempted to go out clubbing and pub-hopping.

"The prospect of spending cosy nights in with a partner looks like a lot more fun — especially when physical intimacy is on the menu."

We asked three Sport stunnas whether they'll be cosying up this winter...

says...

WHY should we have more sex in winter? I reckon the more sex you can have throughout the year the better - i've had a wild year and plan to have an even wilder 2019!

Joanne Greenhill says...

THE festive season always gets me hornier and this season I'll be someone's perfect present. Me and my fella will be cosying up, but there won't be many clothes on or much time spent out of bed! If it keeps the germs away, I'll be pouncing on him even more.

SPURS CAN AT HEFTY 7/2

PHE Champions League continues this evening and Premier league outfits Tottenham and Liverpool both face crucial games. Spurs fought back to beat PSV 2-1 at Wembley last time out which prevented an early exit and sets up a mouth-watering clash with Italian glants Inter Milan.

They were unlucky to concede an injury time winner in the San Siro when going down 2-1 and must avenge that to stand any chance of qualifying. The Londoners are 7/2 to make the next stage as unfortunately for them they travel to Barcelona in the final round.

Spurs will hope the Spanish glants have already wrapped up the top spot and rest players but that will be irrelevant if they can't see off the Italians first.

I expect the visitors to adopt a safe approach looking for a draw. It will need to be a night of patience but hopefully Spurs can find a winner and perhaps a narrow 1-0 victory at 8-1 is the call. I expect Tottenham to win at 8-11 as they will surely be full of confidence after beating Chelsea 3-1 last Saturday on home soil.

Group C is by far the closest and most fascinating in this season's competition with the quartet still all battling it out for progression. Despite a shock 2-0 reverse in Belgrade Liverpool still occupy top spot. However they face a tough trip to Paris followed by a vital last game at home to Napoli.

The Reds were 3-2 winners over PSG earlier in the campaign and have a slight one point advantage over their opponents who find themselves in third position following back to back draws with Napoli. With both sides full of goals this looks likely to be a cracking affair but one neither can afford to lose.

Exciting

Liverpool would arguably settled for a point now knowing they would have their destiny very much in their own games in the final matchday. The draw at 29/10 appeals and as it's hard to envisage a goalless

29/10 appeals and as it's nard to envisage a goalless draw lets also take the 19/5 on offer for either a 1-1 or 2-2 stalemate in our correct score market.

Domestically, Aston Villa were exciting to watch last Sunday when disposing of local rivals Birmingham 4-2 in front of the Sky cameras and they face another Midlands outfit when strongly fancied Nottingham Forest visit Villa Park.

Forest visit Villa Park.

Another hugh crowd will be anticipating this clash of two form sides. Both are on the fringes of the playoffs and with very little between the top eight sides in the section every point is proving crucial. This match looks full of goals but looking difficult to separate the pair I am sitting on the fence with a draw at 5/2.

Expect both to be challenging for promotion alongside West Brom who have suffered five defeats but still

find themselves well placed and face a trip to Swansea.

The Baggies lead the section for most scored but their defence is the leakiest of the leading clubs. Strike duo Jay Rodriguez and Dwight Gayle are lethal at this level and with the Swans reeling from a 4-1 loss at home to Norwich the 13/8 WBA looks good.

I don't think he handled the soft ground last time out but his fourth to Key Victory in May is good form and you get the impression there is plenty more to come otherwise Gosden wouldn't be sending him to Wolverhampton on a cold Wednesday afternoon. couldn't reel in a racefit rival but back down in grade here she should surely take all the beating.

Debut

There are a few similar unexposed types in the race so I'm hoping market support will be shared around and she goes off at

a fair price.

The bare result doesn't quite tell the full story with regards to SOME OPERATOR's debut run at

Chepstow. Ian Williams' point-tolan Williams' point-to-point recruit travelled well but lacked the know how once they started racing and ended up fifth. He was looked after though and you would presume he should come

on for the experience. The step up in trip should help also and I'm hopeful of a big run although we won't see the best of him until he meets a fence. Alastair Ralph will be

hopeful of a big run from MIX OF CLOVER after the penny seemed to drop last time out at Stratford. A fish out of water on his first start, he seemed to learn a lot more second time out when making good late headway to close in on some good horses out in front.

It looked a really good educational ride from Alex Edwards. The bare form of the races doesn't amount to much so I'm hopeful there will be plenty of each way value to be had. 15 - Graffiti Master Frisella, Some Operator & Mix Of Clover

VIRGIL Van Dijk is adamant that Liverpool have what it takes

The Reds could still make it through to the last 16 if they lose at the Parc Des Princes but a win would make sure they qualify.

Anything else would mean a victory by two clear goals is likely to be needed on the final matchday at home to Napoli.

That's something Van Dijk would like to avoid and he's looking back to the reverse fixture at Anfield where Liverpool beat the French giants 3-2. Since then their two away

The Spurs gaffer has only just signed a fiveyear deal with the Londoners but is already thinking about his next month.

Despite being constantly linked with Real Madrid, it seems that Italy is on his mind.

Pochettino said: "I dream of winning a trophy with Tottenham, maybe the Premier League in our new stadium.

"The important thing is to be happy and I am right now. Me in Serie A? I have Italian origins and it would be a wonderful experience. Argentines and Italians are very similar, for the way we live life and for our passion for football.
